**Independent Auditor's Report**

Board of Directors  
Pond Equities  
Brooklyn, New York

I have audited the accompanying statement of financial condition of Pond Equities, as of December 31, 2007, and the related statements of loss, changes in stockholders' equity, changes in subordinated borrowings, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pond Equities, as of December 31, 2007, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**Report on Compliance and on Internal Control over Financial Reporting based on  
an Audit of Financial Statements performed in accordance with Rule 17a-5(g)1 of  
the Securities and Exchange Commission**

Board of Directors  
Pond Equities  
Brooklyn, New York

I have examined the financial statements of Pond Equities for the year ended December 31, 2007, and have issued my report thereon dated February 25, 2008. As part of my examination, I made a study evaluation of the company's system of internal accounting controls, (which includes the procedures for safeguarding securities to the extent I considered necessary to evaluate the system), as required under generally accepted auditing standards. The purpose of my study and evaluation, which included obtaining an understanding of the accounting system, was to determine the nature, timing and extent of the auditing procedures necessary for expressing an opinion on the financial statements.

Also, as required by rule 17a-5(g)1 of the Securities and Exchange Commission, I have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by Pond Equities that I considered relevant to the objectives stated in rule 17a-5(g): (1) in making the periodic computations of aggregate indebtedness and net capital rule under Rule 17a-3(a) (11) and reserve required by Rule 15c3-3(e); (2) in making the quarterly securities examinations, counts, verification, and comparisons, and the recordation of differences required by Rule 17a-3; (3) in complying with the requirements for prompt payment of securities of section 8 of regulation T of the Board of Governors of the Federal Reserve System; and (4) in obtaining and maintaining physical possession or control of all fully paid and excess margin securities of the customers as required by Rule 15c3-3.

The management of the Company is responsible for establishing and maintaining a system of internal control and the practices and procedures referred to in the previous paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess whether those practices and procedures can be expected to achieve the commissions' above-mentioned objectives. The objectives of a system and the practices and procedures are to provide management with a reasonable, but not absolute, assurance that assets for which the company has responsibility are safeguarded against loss from unauthorized use or disposition, and the transactions are executed in accordance with managements' authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

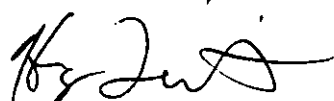

Board of Directors  
Pond Equities  
Brooklyn, New York

Because of the inherent limitations in any internal accounting control procedures or the practices and procedures referred to above, errors or irregularities may nevertheless occur and not be detected. Also, projections of any evaluation of them to any future periods, is subject to the risk that they may become inadequate because changes in conditions or that the degree of compliance with them may deteriorate.

My study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, I do not express an opinion on the system of internal accounting control of Pond Equities taken as a whole. However, my study and evaluation disclosed no condition that I believed to be a material weakness.

I understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purpose in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on my study, I believe that the company's practices and procedures were adequate at December 31, 2007 to meet the commission's objectives.

This report is intended solely for the use of management and the Securities Exchange Commission and should not be used for any other purpose.

**Pond Equities**  
**Notes to Financial Statements**  
**December 31, 2007**

**1. Organization and Nature of Business**

The Company is a broker-dealer registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority (FINRA).

**2. Significant Accounting Policies**

**Basis of Presentation**

The Company is engaged in a single line of business as a securities broker-dealer, which comprises several classes of services, including principal transactions, agency transactions, and investment banking. The accompanying financial statement has been presented on the accrual basis of accounting.

**Securities Transactions**

Proprietary securities transactions are recorded on the trade date, as if they had settled. Profit and loss arising from all securities transactions entered into for the account and risk of the Company are recorded on a trade date basis. Customers' securities transactions are reported on a settlement date basis with related commission income and expenses reported on a trade date basis.

Marketable securities are valued at market value, and securities not readily marketable are valued at fair value as determined by management.

**Income Taxes**

The Company has elected to be treated as an "S" Corporation under Federal and New York State income tax law. Accordingly, no provision has been made for federal income tax since federal income taxes are imposed on the stockholders' of the Company. New York State Franchise and Surcharge taxes, and New York City Corporation taxes are provided for in the financial statements.

**3. Subordinated Borrowings**

The borrowings under subordination agreements at December 31, 2007 consist of a subordinated note, 15 percent, due March 31, 2008 in the amount of \$100,000. The subordinated borrowings are available in computing net capital under the SEC's uniform net capital rule. To the extent that such borrowings are required for the Company's continued compliance with minimum net capital requirements, they may not be repaid. It is the Company's intention not to renew the subordinated note.

**Pond Equities**  
**Notes to Financial Statements**  
**December 31, 2007**

**4. Net Capital Requirement**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and that equity capital not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2007 the Company had net capital of \$833,128, which was \$733,128 in excess of its required net capital of \$100,000. The Company's aggregate indebtedness to net capital was .71 to 1 as of December 31, 2007.

**5. Rule 15c3-3**

The Company has elected not to be subject to the provisions of Rule 15c3-3 and does not maintain a "Special Reserve Bank Account".

The Company maintains possession or control of all customers' fully paid securities. Any exception would be due to temporary lags resulting from normal business operations.
